Tushar Gautam

Programmer

OBJECTIVE

I want to succeed in a stimulating and challenging environment, building the success of the company while I experience advancement opportunities.

PERSONAL PROFILE

Programming aficionado who love coding stuff and having the knowledge of different languages such as but not limited to **Java**, **Python**, **C++**, **JavaScript**. I have created my own micro web development framework "**Python on Pails**". I would like to write my own programming language to make coding easier without sacrificing performance.
